Transferred \$38,428 in federal fund expenditure authority to other fund expenditure authority within the Highway Patrol. This is a base transfer from operating expenses to operating expenses. The funds will be used to provide additional motorcycle safety training. The funds are available because of a reduction in state agency grants.

Accounting transaction detail can be queried from the central accounting system by LRC staff. A record of this transfer and its authorization is available for public inspection in the Bureau of Finance and Management.
